Hon. Secretary of State,

Vermillion, S. D., June 4th. 1897.

Washington, D.C.

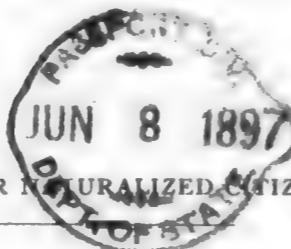

Dear Sir:- In accordance with your letter of the 14th. ~~inst~~ult. which is herewith returned, and the circular accompanying the same, Mr. Stefani made an effort to get the copy of his naturalization papers that you requir, but on going to Ponca, Neb. where the same were given him he found that at that time the court proceedings were run so loosely that they did not preserve the record of such papers and he could not get them. The orriginal papers were given to the land officers at the time he made final proof on his homestead and were sent to Washington. I enclose you a copy of the patent issued to him which shows that the proof was made that he was a citizen of the U.S. or he could not have obtained his patent. By reference to the records in your city you can ascertain this to be the fact if the proofs already submitted are not sufficient to warrant you in issuing the passport as the matter now stands.

I hope you will find them sufficient and will send the passport at once as Mr. Stefani is very anxious to start for Italy to see his Mother who is still living, but very aged.

Respectfully yours,
